Example University

Distinction

CERTIFICATIONS

Certified Kubernetes Administrator

CNCF

EXPERIENCE

Senior Software Engineer

Jan 2022 – Present

Acme Corp

Dublin, Ireland

- Led the migration of a customer-facing monolith into a set of event-driven microservices, halving p99 latency.
- Designed and rolled out an event-sourcing platform now used by four product teams.
- Mentored three engineers from mid to senior level.

Software Engineer

Jun 2019 – Dec 2021

Liffey Labs

Remote

- Built and shipped the first version of a SaaS product from scratch alongside a two-person team.
- Introduced the CI/CD pipeline and developer-onboarding flow that scaled the engineering org from 3 to 15.
